

Help a family preserve a life story beautifully.

A dignified referral path with transparent partner appreciation.

PARTNER APPRECIATION PROGRAM

\$10 after a completed, paid tribute

Eligible independent partners - maximum \$50 per month. The partner may redirect the amount to a participating bereavement ministry or sponsored-family fund. The family's price never increases because of a referral.

HOW A REFERRAL WORKS

01

Ask permission

The family approves sharing the representative's contact information.

02

Make the introduction

Share the portal or connect the family directly with Minister Delsin.

03

We handle the rest

We confirm scope, media transfer, payment, review, and delivery.

ORGANIZATION POLICY FIRST

No personal cash for funeral-home, hospice, healthcare, or clergy employees acting officially. Any organizational appreciation must be approved and not tied to referral volume.
